## TORONTO'S MAJESTIC CASTLE

Completed in 1914, Casa Loma is surrounded by five acres of lush gardens in the heart of midtown Toronto. This historical landmark is one of North America's only castles and offers a one-of-a-kind backdrop for any corporate event. The elegance of the interior begins in the Great Hall with its impressive 60ft ceilings. The Conservatory boasts a one-of-a-kind stained glass ceiling, wrought iron water fountain and rose marble floor. The Library which is panelled with the original herringbone oak floor, provides a warm contrast to the marble of the Conservatory. Decorated with several crystal chandeliers, the Library is the perfect room for any reception or dinner. Complementing the magnificence of the interior, the Glass Pavilion is a seasonal structure that operates from late May to mid September, and is situated on the lower terrace overlooking our heritage gardens. The Pavilion is a stunning space to host a private event as both the castle and the cityscape become a backdrop to your guests.
